

Council of Europe
The Secretary General

9 November 2012

Dear Mr Ettmayer,

The first edition of the World Forum for Democracy Strasbourg 2012 brought together more than 1500 participants and speakers. Hundred and twenty countries from all five continents were represented.

I believe the Forum offered a much appreciated and much needed opportunity to discuss global and regional challenges to our existing democratic models, attitudes and beliefs.

I should like to thank you for your personal contribution at the Workshop C3 "Which democratic governance in a globalised world?".

I hope you enjoyed your participation and stay in Strasbourg and I would very much appreciate if you would send your feedback to the organisation and content of the Forum to our e-mail address forum_democracy@coe.int.

Yours sincerely,

Thorbjørn Jagland
